CARFAX™ UPDATE

As a Carfax™ Advantage Dealer, you have likely received notification from Carfax™ that the Carfax™ Canada Advantage Program is ending on May 31st.

We want to remind you that Carfax™ reports will continue to be available through the UCDA at www.ucdasearches.com.

When you request a Carfax™ vehicle information report through the UCDA, you'll also receive a UCDA Accident Claims Report, providing more reported Ontario insurance claim information than any other available source.

You get both reports for just \$18!

Compare that to the cost of other accident and vehicle information reports.

Together with the extensive Canadian and U.S. data contained in a Carfax™ report, a UCDA Accident Claims Report gives you a comprehensive overview of many of the required MVDA disclosures. Combining these reports with a paint meter check will help identify vehicles that have damage that doesn't appear on any report.

Of course, you can also request the UCDA's original Auto Check™ accident report for just \$8. Auto Check™ gives you the same insurance claims information ...Plus ... Out-of-province registration, U.S. import information, CPIC stolen vehicle information, CAMVAP buybacks and Drive Clean information.

Auto Check™ & Carfax™ / UCDA Accident Claims
