# Dealer Alert

## SERVICE ONTARIO LICENCE OFFICES

The Ministry has provided us with a link to determine which Service Ontario Licence Offices are closed or partially closed:

<https://www.ontario.ca/page/serviceontario-centre-closures>

This link will be updated regularly, and also contains a further link to find all Service Ontario Office locations.

Many offices are closed for cleaning and plan to reopen.

There are plans to designate some offices as Dealer Use Only.

We continue to discuss vehicle registration issues and office availability with the Ministry.

The situation is constantly changing, but the government understands the importance to the industry of having continued access to Service Ontario offices. They are doing everything possible to maintain vehicle licensing and registration, while at the same time protecting the health and safety of office staff and customers.

More updates to come.

Please watch for UCDA Dealer Alerts by email and posted on our website at [www.ucda.org](http://www.ucda.org)
