### HOW TO TAKE ADVANTAGE

- 1 Ask your local NAPA Auto Parts representative to register you for the EGRP program
- 2 Choose the equipment you need
- 3 It's that easy!

### WHY IMPLEMENT THE TEV PROGRAM WITH EGRP?

- Reliable inspection and selling system for your customers
- Streamlines compliance with state-mandated inspections
- Diagnostic tools guide technicians through a step-by-step process, ensuring no issues are overlooked and all DTCs are identified and addressed
- 1 in 5 vehicles will need a new battery this year - TEV increases Sales by 30%
