

Collection Site Information Form

Use this form to provide information about your collection site to RPRA.

Please note that PROs must continue to operate a public collection system in accordance with the number of sites required under the Tires Regulation even after their producer’s minimum management requirements are met. The Tires Regulation requires approximately 4,300 tire collection sites be established and operated in Ontario. This means that not all sites that collect tires in Ontario are covered under the Regulation.

Collection Site Information	
1. Approximately how many waste tires are currently stored at your site?	
2. Do you know under which PRO system your tires have been, or are currently being, collected?	
2. a) If YES , which PRO?	
3. When was your site last serviced for tire pickup?	
4. Are you able to accept used tires for drop-off?	
4. a) If NO , what date did you stop accepting used tires for drop-off?	
4. b) If YES , are you in any way limiting the number of used tires you can accept (e.g., accepting tires only from customers, accepting less than ten used tires from any person each day)?	
5. Are you charging a fee for used tire drop-off?	
6. Other Information (e.g., history of contact with PRO(s)):
