NAPA Leasing?

NAPA's leasing plan is a financial solution designed specifically to meet your business needs so that you can purchase equipment quickly and easily. It's not a loan but rather a lease with an option to purchase at the end of the term.

-  Purchase the equipment you need quickly and easily
-  Maintain your working capital
-  Get financing that fits your business needs
-  Coordinate your payments with your company's cash flow

-  Determine what equipment you need
-  Contact your NAPA Leasing advisor
-  Receive immediate customer service and a credit response in under 24 hours
-  Install your equipment
-  Watch as your return on investment and customer satisfaction improve

**SINGLE PHASE
ROTARY SCREW AIR
COMPRESSOR A5TD**

DVS S-002520

- A5TD comes tank-mounted with a 60 gallon air receiver, ProDry ASD15 refrigerated air dryer and 1-micron pre-filter.
- 16 SCFM Delivery at 145 PSI
- The 5HP TEFC Industrial Motor works comfortably 24/7 - It's ideal for intermittent to continuous-USE (100% duty-cycle) applications, featuring fixed speed, belt drive technology with automatic belt-tensioning.
- It's as quiet as a conversation and allows you to work comfortably and safely with the air compressor right there with you in the shop, saving your ears from harm with 65DBA.
- The A5's controls are easy to use, while the CSC15 controller works in the background to continuously and efficiently control and monitor the air compressor's operation.
- The A5 is also very easy to maintain with an annual maintenance taking approximately 20 to 30 minutes.
